

**CONTENTS OF ACTA ZOOLOGICA BULGARICA,
VOLUME 63 (1-3), 2011**

ISSUE 1

TAXONOMY, FAUNISTICS AND ZOOGEOGRAPHY

- ĆURČIĆ B., R. DIMITRIJEVIĆ, N. ĆURČIĆ - *Neobisium borensense* sp. n. (Pseudoscorpiones: Neobisiidae), a New Endemic Species From East Serbia3
- GEORGIEV D. - A New Species of *Belgrandiella* (Wagner 1927) (Mollusca: Gastropoda) from Caves in Northern Bulgaria7
- GEORGIEV D., P. GLÖER - Two New Species of a New Genus *Devetakia* gen. n. (Gastropoda: Hydrobiidae) from the Caves of Devetashko Plateau, North Bulgaria11
- BOEV Z. - *Falco bulgaricus* sp. n. (Aves: Falconiformes) from the Late Miocene of Hadzhidimovo (SW Bulgaria) 17
- DEDOV I., T. MITEV - Mollusks Fauna (Mollusca: Gastropoda: Bivalvia) of Mountain Osogovo37
- STOJANOVIĆ D., S. ĆURČIĆ - The Diversity of Noctuid Moths (Lepidoptera: Noctuidae) in Serbia47
- GNELITSA V. - *Mecynargus minutipalpis* sp. n. (Araneae: Linyphiidae) from Ukraine61
- YİĞİT N., E. ÇOLAK, R. ÇOLAK, A. ÖZLÜK, N. GÜL, P. ÇAM, F. SAYGILI - Biometric and Allozymic Variations in the Genus *Dryomys* (Rodentia: Gliridae) in Turkey67

AQUATIC BIOLOGY AND ECOLOGY

- SELIFONOVA J. - Ships' ballast as a Primary Factor for 'Mediterranization' of Pelagic Copepod Fauna (Copepoda) in the Northeastern Black Sea.....77
- VARADINOVA E., L. PECHLIVANOV, S. STOICHEV, Y. UZUNOV - Recovering and Succession of the Species Diversity of Macrozoobenthos in the Srebarna Biosphere Reserve (North-East Bulgaria)85

TERRESTRIAL ECOLOGY AND BEHAVIOUR

- ÇIÇEK E., D. AVŞAR - Growth, Mortality and Spatial Distribution of Brushtooth Lizardfish, *Saurida undosquamis* (Richardson, 1848), Inhabiting the Karatas Coasts (Iskenderun Bay, Northeastern Mediterranean)97

SHORT COMMUNICATIONS

- FARD A., S. GELDER - First Report of *Branchiobdella kozarovi* SUBCHEV, 1978 (Annelida: Clitellata) in Iran, and Its Distribution in the Eastern Euro-Mediterranean Subregion105
- SUBCHEV M. - First Record of *Branchiobdella* Odier, 1823 (Annelida: Clitellata) in Albania and an Overview of the Geographic Distribution of *Branchiobdella hexodonta* Gruber, 1882 in Europe109
- GUÉORGUIEV B. - Prostomidae (Coleoptera: Tenebrionoidea) – a New Family to the Fauna of Bulgaria113

IN MEMORIAM

- Assoc. Prof. Dr. Stefan Donchev116

ISSUE 2

TAXONOMY, FAUNISTICS AND ZOOGEOGRAPHY

- GELDER S.** - Reassignment of a Central American Species of the Branchiobdellida (Annelida: Clitellata) to *Forbesodrilus* n. g. 119
- DELTSHEV C., B. VRENOSI, G. BLAGOEV, S. LAZAROV** - Spiders of Albania – Faunistic and Zoogeographical Review (Arachnida: Araneae) 125
- KURT K., N. SNEGOVAYA, H. DEMIR and O. SEYYAR** - New Data on the Harvestmen (Arachnida, Opiliones) of Turkey 145
- TODOROV I.** - Contribution to the Bulgarian Pteromalid Fauna (Chalcidoidea: Pteromalidae) 151

AQUATIC BIOLOGY AND ECOLOGY

- GÜHER H., S. ERDOĞAN, T. KIRGIZ, B. ÇAMUR-ELIPEK** - The Dynamics of Zooplankton in National Park of Lake Gala (Edirne-Turkey) 157
- DURAN M., G. AKYILDIZ** - Evaluating Benthic Macroinvertebrate Fauna and Water Quality of Suleymanli Lake (Buldan-Denizli) in Turkey 169
- TAŞ M., T. KIRGIZ, N. ARSLAN** - Dynamics of Oligochaeta Fauna in Sazlidere Stream (Edirne, Turkey) with Relation to Environmental Factors 179

PARASITOLOGY

- MARGARITOV N., SAVAS G. KIRITSIS** - Parasites of Topmouth Gudgeon *Pseudorasbora parva* (Schlegel) in Fish Farms in Bulgaria 187
- DE MENDONÇA P. G., A-M. BENEDEK, M. JURČOVIČOVÁ** - Molecular Screening of European Wild Rodents for Tick-Borne Encephalitis Virus 195

SHORT COMMUNICATIONS

- YAMAN M., H. BAKI** - First Record of Entomopoxvirus of *Ips typographus* (Linnaeus) (Coleoptera: Curculionidae, Scolytinae) for Turkey 199
- ÖZGEN İ.** - New records of Staphylinidae (Coleoptera) from Bulgaria, Iran and Turkey 203
- ANLAŞ S., E. KHACHIKOV, E. ILJINA** - New Records on the Distribution of Some Species of the Subfamily Paederinae (Coleoptera: Staphylinidae) from Europe and Asia 205
- TSVELYKH A.** - What subspecies of Chaffinch *Fringilla coelebs* Linnaeus, 1758 (Passeriformes: Fringillidae) occurs in South-East Bulgaria? 209
- PAKSUZ S., B. ÖZKAN** - New Distributional Records and Some Notes for Greater Noctule, *Nyctalus lasiopterus* (Mammalia: Chiroptera) from Turkey 213
- BIRICIK M., R. KARAKAŞ** - On the Occurrence of White-headed Duck *Oxyura leucocephala* (Scopoli, 1769) in South-eastern Anatolia, Turkey 217

BOOK REVIEW

- MICHAILOVA P.** – L. Chubareva and N. Petrova 2008: Cytological maps of polytene chromosomes and some morphological peculiarities of black flies (Simuliidae, Diptera) from Russia and surrounding countries 220

ISSUE 3

TAXONOMY, FAUNISTICS AND ZOOGEOGRAPHY

- ĆURČIĆ B., S. MAKAROV, T. RADA, R. DIMITRIJEVIĆ, B. ILIĆ – *Chthonius (Globochthonius) globimanus* n. sp. and *Chthonius (Chthonius) longimanus* n.sp., Two New Pseudoscorpions from a Cave in Montenegro 223
- GAVRILOVIĆ B., S. ĆURČIĆ – Diversity of Species of the Family Chrysomelidae (Insecta, Coleoptera) in Serbia, with an Overview of Previous Researches 231
- BACHVAROVA D. – Myriapoda (Chilopoda, Diplopoda) of Shumen City and Shumen Plateau (NE Bulgaria): Taxonomic Structure and Zoogeographical Analysis 245
- RAJABI M., H. LOTFALIZADEH, S. MASSOUD MADJZADEH – The Family Chalcididae (Hym.: Chalcidoidea) from Kerman Province, Southeastern Iran with Some New Records 263

TERRESTRIAL ECOLOGY

- SUBCHEV M., T. TOSHOVA, R. ANDREEV, V. PETROVA, V. MANEVA, T. SPASOVA, N. MARINOVA, P. MINKOV, D. VELCHEV – Employing Floral Baited Traps for Detection and Seasonal Monitoring of *Tropinota (Epicometis) hirta* (PODA) (Coleoptera: Cetoniidae) in Bulgaria 269

AQUATIC BIOLOGY AND ECOLOGY

- TRAYANOVA A., V. TODOROVA, TS. KONSULOVA, G. SHTEREVA, O. HRISTOVA, B. DZHUROVA – Ecological State of Varna Bay in Summer 2009 According to Benthic Invertebrate Fauna 277
- APOSTOLOU A., P. IVANOVA, B. VELKOV, D. DOBREV, M. VASSILEV, I. DOBROVOLOV – *Pomatoschistus marmoratus* (Risso 1810), Is it Really a ‘New’ Species for Bulgarian Ichthyofauna? 289
- RAIKOVA-PETROVA G., I. PETROV, N. HAMWI, D. MARINOVA – Growth Rate and Condition of Riffle Minnow (*Alburnoides bipunctatus* Bloch) from the Middle Stream of Iskar River (Bulgaria) 295

PARASITOLOGY

- MOGL CH., PH. GIL DE MENDONÇA, A. HARSCH, J. HEYL – Potential for Cofeeding Transmission of Tick-Borne Pathogens in Common Voles and Roe Deer – Supportive Molecular Evidence from Field Samples 301
- GIL DE MENDONÇA PH., A. HARSCH, CH. MOGL, B. WALTHER, J. BOJE, CH. DIMKE – Molecular Screening of Wild Rodents for *Leishmania infantum* in Germany 307
- HEYL J., PH. GIL DE MENDONÇA – Tick infestation in Roe Deer (*Capreolus capreolus*) from Thuringia (Germany) 313

SHORT COMMUNICATIONS

- MIRCHEV PL., G. TSANKOV, G. GEORGIEV, P. BOYADZHIEV – *Pediobius bruchicida* (Rondani) (Hymenoptera: Eulophidae) – an Egg Parasitoid of Pine Processionary Moth, *Thaumetopoea pityocampa* (Denis & Schiffermuller) (Lepidoptera: Notodontidae) and a New Species for Bulgarian Fauna 319
- HASANI A., M-D. MITROIU, S. MASSOUD MADJZADEH – New Records of Pteromalidae (Hymenoptera: Chalcidoidea) from Northeastern Iran 323
- Acknowledgement of *Acta zoologica bulgarica* Reviewers 327
- Contents of *Acta zoologica bulgarica*, Volume 63 (1-3), 2011 329
